

Rent IT Product Specification

Intel E6600 Core 2 Duo 2U Rackmount

Intel E6600 Core 2Duo Processor
2GB DDR2 Memory
2U high

Description

Our 2U core 2 duo PC is ideal for processor intensive applications, such as animation rendering (either single units or clustered) and realtime video encoding. The 2U format short depth (48cm) allows high densities within 19" racks.

Installed O/S - Windows XP professional or Windows 2000 professional.

Specifications

Supermicro PDSBA+ Motherboard
