

Rent IT Product Specification

Fujitsu FI 5900c A3 Document Scanner

600 dpi Optical Resolution
Up to 100ppm (A4 portrait @ 300dpi simplex)
USB 2.0 and SCSI 2 Interface

Description

The Fujitsu 5900c colour A3 departmental rental scanner enables fast simultaneous duplex colour scanning directly to PDF with automatic size detection (auto-crop) and de-skew at up to 125 ppm simplex. The Fujitsu 5900 has a 100% straight paper path leads to extremely low jam rate for applications with hire scanning requirements up to 100,000 pages per day.
